

# Can YOU help us to look after the woods?

## The Friends of Linslade Woods

We organise **Action Days** and **Family Events** throughout the year and we could always do with more people to help.

Our main tasks are keeping the paths open for all to use, conservation tasks to improve the wood for wildlife and tidying up the litter.

We also help monitor the wildlife of the woods and report problems to the rangers or police.

**Could you give some of your time and skills to help keep the woods special for everyone?**

**Become a Friend of Linslade Woods** - contact the number below for information and a membership form or see our website
