Our Trail is full of artworks that
celebrate children's stories.
It's an amazing place for little
people, with big imaginations,
to explore.

I challenge you to find them all.
Here are your special clues.
Use them with your map.

You'll know you are getting
warm, when you spot a big
paw print on the floor.

Get set, go!

Look for a bedpost
surrounded by two

Don't lean against the
wall forever. Where shall
we fly to today?

A flutter of tiny wings
above my head
