Annual Parish Meeting

The Annual Parish Meeting was held at the Library Theatre on Monday 21 March. You can read all about the questions asked on our website. Huge thanks to our friends at Community Voluntary Service (CVS) Bedfordshire and Bedfordshire Rural Communities Charity (BRCC) for attending to talk to people about volunteering and about support for voluntary groups. You can find out more about what both organisations do, as well as which groups are currently looking for volunteer helpers from the websites listed.

Thank you to everyone who joined us!

At the time of writing, we have just finished the last charity fundraising event of the year, the

Spring Fair held at the refurbished Pages Park Pavilion. This was the last event to raise funds for my charities Home-Start Central Bedfordshire, CHUMS Charity, Macmillan Cancer Support and Freddie and Friends and I would like to thank everyone who has supported me in raising monies for these valuable causes.

I am looking forward to being able to present cheques to representatives of the charities at this year's Civic Service, taking place on Sunday 15 May at 1500 hours at All Saints Church. This event is open to all as a celebration of our wonderful local community. As part of the service I will also have the honour of presenting our

2022 Community Volunteer Awards to Caryn Fripp and Pam Brown. You can read more about their volunteering and what it has meant to the community on the Town Council's website. I will also be grateful to have the opportunity to thank everyone who has supported me during my time as Mayor.

On Monday 16 May, the Council will hold its Annual Meeting and will elect a Chair (Mayor) for 2022-23. The new Mayor will have the honour of lighting the beacon at the Queen's Platinum Jubilee celebration on 2 June and will also be able to welcome visitors from our French and German twin towns for that weekend of free community events. You can find out more about the Platinum Jubilee weekend events in this edition and do keep an eye on the Town Council's website and social media for more details nearer the time.

The Trail

Players visit 7 characters that have come to life from Buckingham Palace and are visiting your location on a day out.

Why not try the Platinum Jubilee trail? Players, guided by Sir Barnaby Beacon, visit each character learning about a different decade in Her Majesty's 70 year reign.

To play, find the vinyl decals in the windows of our town centre locations and scan the QR codes to see the characters come to life! If you collect all 7 stamps you'll be able to take a selfie with a digital prize badge.

The trail is available from 30 April to 12 June and is a great, free way for families to get outside, have some fun and engage with the Platinum Jubilee celebrations. Visit our website to find out more.

JUST 1 CHANGE

Walk instead of taking the car!

In every issue we will share with you how you can make **JUST 1 CHANGE**

Hi, Sustainable Suzi here: Slow down and be more flexible. At 18 yrs old the idea of passing my driving test was 'the' route to independence and adventure. Being able to drive has enabled me to navigate the world of work, social activity, volunteering, family needs and holidays with great independence and for a female, security. No lies, the idea of reducing the use of my car and increasing the use of buses or trains for everyday travel is a challenge for me, but I'm starting to do things differently. Reducing my car use doesn't come easy. Given the experience we had with the

lack of petrol earlier in the year and the current cost of petrol now, I've started car sharing to work when it's convenient for both parties as well as calming my driving down. I'll get to where I need to be, but I don't need to drive frantically at 60mph. A slower speed reduces emissions. There will always be 'that' driver who wants to cut you up and race to their destination. Let them pass so what? Save your petrol and save the wear and tear on your car. Keep your tyres inflated and find out about the benefits of a slower speed at www.energysavingtrust.org.uk/advice/efficient-driving/

A thriving market for today and into the future...

On the first day of June this year it's the 10 year anniversary of the Town Council taking over the running of the Charter Market and to celebrate we are hosting a mammoth

month of events which showcase the best of the modern-day market.

The market, at the centre of Leighton Buzzard, is both an historic and modern feature of our town. Named in the Domesday Book of 1086, Leighton Buzzard had the biggest market in Bedfordshire and was owned by the King.

Today it takes over the High Street and hosts on average, 30 stalls with up to 7 added 'casual' stalls, many of which are newcomers to the post-covid market. We also hold monthly speciality markets for both Farmers and Producers, and Handmade and Crafts.

Our celebrations coincide with the national NABMA campaign, 'Love your Local Market' which in turn, is extended this year to cover the Queen's Platinum Jubilee weekend, in addition to it's usual fortnight.

-----THEN-----

-----NOW-----

What's On' the Market in May and June

Sat 14 May – 05 June – Love Your Local Market celebrations of all things LB Market - Love Your Local Market national campaign #LYLM.

Sun 29 May & 26 June - Street Food Heroes, one of our celebrated visiting markets (in addition to other dates throughout the year).

Tues 31 May - 10th Anniversary Celebration Day - NABMA officials visiting to formally acknowledge our award as 'Britain's Best Council-run Market 2022' with special guests.

Sat 4 June - The Queen's Platinum Jubilee celebration market with a 'very special' guest.

START YOUR CAREER IN POLICING AND DISCOVER YOUR POTENTIAL

Join us as a special constable and make a difference to your community. Special Constables are volunteer police officers. They provide vital support to regular officers by carrying out patrols, warrants, community engagements and more. Special constables are a volunteer force. They have the same powers and uniform as regular officers. They are given full training during evenings and weekends and have a tutor to help them through life on the beat until they gain enough experience to work with other teams. It's the perfect role if life got in the way of joining the force in the past, or if you want to gain experience before applying to be a police officer. Volunteering will bring you a whole host of new experiences and opportunities. You will give back to your community and help people in need alongside learning new skills that you can take back into your working life. For more information visit our website: www.beds.police.uk.

"I feel a great sense of pride wearing my uniform and being able to help people at their most vulnerable. In this role I would also like to change some of the stigma people have against the police, especially among the younger generation.

I would also like to break the stigma attached with being a female officer from an under-represented background. There are a few moments whilst being a special that stand out for me. One of which was being on duty and providing extra police support when HM The Queen and HRH Prince Philip visited Dunstable and Whipsnade Zoo".
